When you access the \$ Make a payment you must enter:

- the students name, and
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

When you have completed the transaction it is important to remember to write the receipt number on our permission note or on our school payment envelope in the space provided.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For your convenience these instructions will be located on the school's website under the Newsletter and Notes tab.
